### **Orion Law Management Expands Integration with Worldox® Document Management System**

*Integration will further enhance productivity and visibility of highly critical information.*

**Atlanta, GA and Ridgewood, NJ – September 21, 2010** – Earning a reputation as an innovator and leader in law firm management software, Orion Law Management Systems, Inc. announced expanded integration between its Financial and Practice Management software product lines and the Worldox® Document Management System (DMS) from World Software Corporation®.

“Our continual pursuit to improve the tools law firms need led us to expand our already extensive integration with Worldox,” states Paul Yelton, President of Orion Law Management Systems, Inc. “Firms have asked us to provide higher visibility to their Worldox documents and e-mails while in our Practice Management software. In addition, we’ve added new features that will improve workflow and productivity for both attorneys and staff.”

According to Ray Zwiefelhofer, President of World Software Corporation, “We are extremely pleased Orion has expanded their integration with Worldox. Clearly, today’s lawyers and legal staff must be able to manage their electronically stored information with both efficiency and effectiveness. This updated integration of Orion and Worldox will be highly beneficial for our mutual customer base.”
